PART ONE

The Problem and Its History 1

■ CHAPTER 1

Definition: The Nature of the Problem 4

Emerging Terminology 5
Developmental Norms Versus Sociocultural Expectations 6

Behavior Shaped by Its Social Context (Ecology) 7

Types of Disorders and Causes 8

Examples of Disordered Emotions and Behavior 8

Problems of Definition 21

Differences in Conceptual Models / Differing Purposes of Definitions / Difficulties in Measuring Emotions and Behavior / Range and Variability of Normal and Deviant Behavior / Relationships Among Emotional or Behavioral Disorders and Other Exceptionalities / Transience of Many Emotional and Behavioral Problems / Disadvantages in Labeling Deviance

Importance of Definition 25

The Current Federal Definition: Its Derivation and Status 26

Perspectives on Definition 29

An Emerging Definition 30

Summary 31

Case for Discussion 32

Personal Reflections: Definition (Steven R. Forness) 34

■ CHAPTER 2

Prevalence: The Extent of the Problem 38

Who Has a Disorder? 40
Meaning of Prevalence and Incidence 43

Prevalence and Incidence Estimates: Why Should We Care? 44

Problems of Estimation 44
Lack of Standard Definition / The Methodology of Estimation / Social Policy and Economic Factors

Reasonable Estimates of Prevalence 49

Trends in Prevalence Estimates and Percentage of Students Served by Special Education 50

Factors Affecting Prevalence and Placement for Services 52

Prevalence and Incidence of Specific Disorders 57

Summary 57

Case for Discussion 58

Personal Reflections: Prevalence (Teresa Zutter) 60

■ CHAPTER 3

The History of the Problem: Development of the Field 64

Late 1700s: Dispelling Ignorance, Neglect, and Abuse 66

The 1800s: The Rise and Fall of Moral Therapy 67

Mental Retardation and Emotional or Behavioral Disorders / Theories of

<i>Etiology / Intervention / Changes within the 1800s</i>	<i>Selection and Use of Conceptual Models / A Social-Cognitive Approach</i>
1900 to 1960: Establishment of Intervention Programs 73	A Structure for Discussion 125
1900 to 1910 / 1911 to 1930 / 1931 to 1945 / <i>The Post-War Years and the 1950s</i>	Summary 126
The 1960s and 1970s: The Emergence of Conceptual Models 80	Case for Discussion 127
<i>Psychoanalytic View / Psychoeducational Approach / Humanistic Education / Ecological Approach / Behavioral Approach</i>	Personal Reflections: Conceptual Models (Frank H. Wood) 129
Projects and Issues of the 1970s and 1980s 84	
Current Issues and Trends 87	
<i>Early Identification and Prevention / Education of Antisocial and Violent Students / Comprehensive, Collaborative, Community-based Services / Focus on Academic and Social Skills / Functional Analysis of Behavior / Continuum of Alternative Placements / Transition to Work or Further Education / Multicultural Special Education / A National Agenda for Improving Outcomes for Students</i>	
Past and Future 98	
Summary 99	
Case for Discussion 102	
Personal Reflections: History (Richard J. Whelan) 104	
■ CHAPTER 4	
Conceptual Models: Approaches to the Problem 108	
Traditional Exposition of Conceptual Models 112	
<i>Biogenic Approach / Psychodynamic Approach / Psychoeducational Approach / Humanistic Approach / Ecological Approach / Behavioral Approach</i>	
Developing an Integrated Model 121	
	PART TWO
	Assessment 133
	■ CHAPTER 5
	Screening and Classification 136
	Screening 137
	<i>Early Identification and Prevention / Criteria for Selecting and Devising Screening Procedures</i>
	Alternative Screening Instruments 139
	<i>Behavior Rating Profile (Brown & Hammill, 1990) / Child Behavior Checklist (Achenbach & Edelbrock, 1991) / Systematic Screening for Behavior Disorders (Walker & Severson, 1990) / The Early Screening Project: A Proven Child-Find Process (Walker, Severson, & Feil, 1994) / School Archival Records Search (Walker, Block-Pedego, Tòdis, & Severson, 1991)</i>
	Screening as Convergence and Confirmation of Concerns 143
	Pre-Referral Strategies 144
	Classification 148
	<i>Psychiatric Classification / Behavioral Dimensions / Multiple Classifications and the Issue of Comorbidity / Classification of Severe Disorders / The Necessity of Classification / The Complexity and Ambiguity of Classification</i>
	Summary 159
	Case for Discussion 160
	Personal Reflections: Screening and Classification (Hill M. Walker) 162

- CHAPTER 6**
Evaluation for Instruction 164
 Evaluation for Eligibility 168
 Evaluation for Intervention 170
Standardized Tests of Intelligence and Achievement / Behavior Ratings / Direct Observation and Measurement / Interviews / Assessment of Peer Relations / Self-Reports / Curriculum-Based Evaluation / Functional Analysis / Assessment as an Instructional Problem: Pre-Correction
 Evaluation and Social Validation 179
 Use of Evaluation Data in Writing Individualized Education Programs 179
 The IEP and Placement 183
 Summary 184
 Case for Discussion 185
 Personal Reflections: Evaluation for Instruction (Angela Gaviria) 187
- PART THREE**
Causal Factors 189
- CHAPTER 7**
Biological Factors 191
 The Appeal of Biological Factors as Causal Explanations 193
 Genetics 194
Schizophrenia / Implications of Genetic Factors
 Brain Damage or Dysfunction 199
Traumatic Brain Injury / Autism
 Malnutrition and Allergies 202
 Temperament 204
 Physical Illness 208
 Implications for Educators 209
 Summary 210
 Case for Discussion 211
 Personal Reflections: Biological Factors (Nirbhay N. Singh) 213
- CHAPTER 8**
Family Factors 216
 The Appeal of Family Factors as Causal Explanations 217
 Family Definition and Structure 221
Single-Parent Families / Substitute Care
 Family Interaction 224
Child Management / Child Abuse
 Family Influences on School Success and Failure 231
 External Pressures Affecting Families 232
 Implications for Educators 233
 Summary 235
 Case for Discussion 236
 Personal Reflections: Family Factors (Dixie Jordan) 237
- CHAPTER 9**
School Factors 240
 The Appeal of School Factors as Causal Explanations 241
 Intelligence 242
Intelligence of Students with Mild or Moderate Disorders / Intelligence of Students with Autism and Schizophrenia / Implications of Low IQ
 Academic Achievement 246
Achievement of Most Students with Emotional or Behavioral Disorders / Achievement of Students with Pervasive Developmental Disorders / Implications of Academic Underachievement
 Social Skills 248
 Behavior Predictive of School Success and Failure 250
 School Failure and Later Adjustment 251
Intelligence, Achievement, and Antisocial Behavior
 The School's Contribution to Emotional and Behavioral Disorders 254
Insensitivity to Students' Individuality / Inappropriate Expectations for Students / Inconsistent Management of Behavior / Instruction in Nonfunctional and

*Irrelevant Skills / Ineffective Instruction
in Critical Skills / Destructive
Contingencies of Reinforcement /
Undesirable Models of School Conduct*

Implications for Educators 270

Summary 271

Case for Discussion 271

Personal Reflections: School Factors
(Valerie Gregory) 273

CHAPTER 10

Cultural Factors 276

The Appeal of Cultural Factors as Causal
Explanations 277

Conflicting Cultural Values and
Standards 278

A Multicultural Perspective 279

Problems in Evaluating the Effects of
Cultural Factors 280

*Family, School, and Culture: A Tangled
Web of Causal Influences*

The Mass Media 282

The Peer Group 284

*Absence of Positive Peer Relationships /
Negative Peer Pressure*

The Neighborhood and

Urbanization 288

Ethnicity 289

Social Class and Poverty 290

Implications for Educators 291

Summary 293

A Final Note on Causal Factors 294

Case for Discussion 294

Personal Reflections: Cultural Factors
(Bernie Manning) 296

Personal Reflections: Cultural Factors
(Alba Ortiz) 297

Personal Reflections: Cultural Factors
(Kathleen Wong Shimabukuro) 299

Personal Reflections: Cultural Factors
(Bruce A. Ramirez) 301

Personal Reflections: Cultural Factors
(Kenneth D. Gadow) 302

PART FOUR

Facets of Disordered Behavior 303

CHAPTER 11

Attention and Activity Disorders 306

Definition and Prevalence 307

*Relationship to Other Disorders /
Prevalence*

Causal Factors and Prevention 313

Assessment 314

Intervention and Education 315

*Medication / Parent Training / Teacher
Training / A Perspective on Intervention*

Summary 324

Case for Discussion 325

Personal Reflections: Attention and Activity
Disorders (Peggy Metzger) 327

CHAPTER 12

Conduct Disorder: Overt

Aggression 330

Definition, Prevalence, and

Classification 331

Definition / Prevalence / Classification

Aggression and Violence in Social

Context 337

Aggression as a Multicultural Issue /

Aggression in the Context of School

Causal Factors and Prevention 339

General Conclusions from Social Learning

Research / Personal Factors / Family

Factors / School Factors / Peer Group

and Other Cultural Factors / Prevention

Assessment 349

Intervention and Education 350

Major Features of Social Learning

Interventions / The Uses and Misuses of

Punishment / The Acting-Out Behavior

Cycle and Pre-Correction / School

Violence and Schoolwide Discipline

Summary 365

Case for Discussion 367

Personal Reflections: Aggressive Conduct
Disorder (Michele H. Cornett) 370

■ CHAPTER 13

Conduct Disorder: Covert Antisocial Behavior 374

- Definition and Prevalence of Covert Antisocial Behavior 375
- Causal Factors and Prevention 377
- Assessment 378
- Intervention and Education 379
 - Stealing / Lying / Firesetting / Vandalism / Truancy*
- Summary 387
- Case for Discussion 389
- Personal Reflections: Covert Conduct Disorder (Susan Isaacs) 391

■ CHAPTER 14

Delinquency, Substance Abuse, and Early Sexual Activity 394

- Juvenile Delinquency 396
 - Definition / Types of Delinquents / Prevalence of Delinquency / Causal Factors and Prevention / Delinquency, Disabling Conditions, and Need for Special Education / Assessment of Delinquents' Educational Needs / Intervention in Juvenile Delinquency / Street Gangs*
- Substance Abuse 411
 - Definition and Prevalence / Causal Factors and Prevention / Intervention and Education*
- Early Sexual Activity and Teen Parenthood 420
- Summary 422
- Case for Discussion 424
- Personal Reflections: Delinquency and Substance Abuse (Nan Mary Gordon) 426

■ CHAPTER 15

Anxiety and Related Disorders 430

- Anxiety Disorders 432
- Obsessive-Compulsive Disorders 435
- Posttraumatic Stress Disorder 436

Stereotyped Movement Disorders 438

- Selective Mutism 440
- Eating Disorders 440
- Elimination Disorders 442
- Sexual Problems 444
- Social Isolation and Ineptitude 445
 - Causal Factors and Prevention / Assessment / Intervention and Education*
- Summary 450
- Case for Discussion 451
- Personal Reflections: Anxiety and Related Disorders (Jill Hahn-Jakulski) 454

■ CHAPTER 16

Depression and Suicidal Behavior 458

- Depression 460
 - Definition and Prevalence / Assessment / Causal Factors and Prevention / Intervention and Education*
- Suicidal Behavior 468
 - Definition and Prevalence / Causal Factors and Prevention / Assessment / Intervention and Education*
- Summary 475
- Case for Discussion 476
- Personal Reflections: Depression and Suicide (Kathleen McGee-Benton) 479

■ CHAPTER 17

Schizophrenia and Pervasive Developmental Disorders 482

- Schizophrenia 484
 - Definition and Prevalence / Causes and Prevention / Education and Related Interventions*
- Autism 490
 - Definition and Prevalence / Causes and Prevention / Education and Related Interventions*
- Socialization Problems 495
- Communication Disorders 496
- Stereotypy 498
 - Self-Stimulation / Self-Injury*
- Summary 502

Case for Discussion	503	Helping Students Experience Work, Play, Love, and Fun	516
Personal Reflections: Schizophrenia and Pervasive Developmental Disorders (Rosmarie Contini McGuinness)	506	Communicating Directly and Honestly	518
PART FIVE		Modeling and Teaching Self-Control	520
Implications: A Beginning Point	509	Instruction: Refocusing on the Business of Education	521
■ CHAPTER 18		Remembering the Past When Thinking About the Future	522
A Personal Statement	510	Glossary	523
Setting Expectations	511	References	532
Understanding Causal Factors and the Role of the Teacher	512	Name Index	589
Defining and Measuring Behavior	514	Subject Index	604
